Introducing 3 New Ways to Experience Revel!

- 1. Free** – Attending the virtual **Revel for a Cause** is free this year.
But, for a limited time we are offering two additional ways to support the important work of Neighborhood House while receiving a special Revel in a Box delivered directly to your door (and the doors of your friends). The pack will provide a fun way to feel connected during and after the event.
- 2. \$75 – Individual Revel in a Box Household Ticket**
Perfect for individuals, couples or families and includes one party pack for each household.
- 3. \$750 – Revel in a Box Virtual Table**
Invite your friends (10 total household attendees) to join you at your very own virtual table. Comes with a special invite to send to your guests and party packs for each attendee household. Although this level only includes 10 party packs, we highly encourage you to invite all your friends and family for free!

Party pack quantities are limited.

Proceeds from all Revel in a Box tickets will benefit Neighborhood House participants.
